Dropshipping Return Policy

Please read all product descriptions carefully before placing your order. The customer is responsible for return shipping costs unless the item was damaged or incorrect. Refunds, when applicable, are issued to the original payment method once we receive and inspect the returned item.

Dropshipped items are fulfilled by third-party supplier partners and are **non-returnable** unless they arrive damaged, defective, or incorrect.

To report an issue, please contact us within **7 days** of receiving your order with your order number and clear photos of the product. We'll coordinate with our supplier to issue a replacement or refund if approved.

Please note: Return shipping instructions may vary depending on the supplier.
